CAREER OBJECTIVE

- ❖ To pursue a career in a high-profiled company that will provide me the skills and expertise where I can attain a high level of performance by using my knowledge and capabilities that would also nurture my personal and professional goals.

SKILLS AND ABILITIES

- ❖ Outcomes- driven Instructor bringing expertise in Mathematics and Professional Education subjects to growing organization. Successful in developing strong relationships with community partners to facilitate internships for students. Highly proficient in implementing programs and working with partners to improve education and outcomes.
- ❖ Mentor and encourage students to appreciate and use mathematics in real- world situations. Strive to demystify mathematics and remove anxiety associated with learning math. Pay attention to struggling students and offer one-on-one or small group tutoring to overcome hurdles.
- ❖ Patient and dedicated Instructor skilled at developing and promoting interactive learning within group environment. Experienced working with children and adults from wide array of cultural backgrounds to teach language skills. Positive educator patient with students, consistently dedicating extra time for one-on-one instruction to teach difficult lessons.
