OBJECTIVES

- ❖ To pursue a teaching career in the United States of America through the “Culture Exchange Program” in order for me to impart my country’s beautiful culture to those learners from different races and to learn their culture as well.
- ❖ To take part in developing holistic foreign learners who are immersed with good values and well equipped with 21st century skills.

CORE QUALIFICATIONS

Teaching Qualities

I...

- follow teaching standards in every institution I belong;
- can communicate well in English as international language;
- value mastery of content knowledge and its application to the real-world setting;
- apply appropriate and meaningful pedagogy in teaching;
- can display the needed skills in the use of communication strategies, teaching strategies and technologies to promote high-quality learning outcomes;
- promote safe and fair learning environment which celebrates learners’ diversity;
- interact with the State’s curriculum and be able to translate the content into learning activities that are relevant to learners and based on the principles of effective teaching and learning;
- establish good linkage to the school, community and other stakeholders;
- value personal and professional development; and
- demonstrate high regard of the teaching profession by maintaining merits that sustain the dignity of teaching such as caring to learners and colleagues, respect and integrity.
