## Secondary Mathematics Teacher Arriegado College Foundation, Inc. June 2010 to March 2012

Visayan Village, Tagum City,  
Davao del Norte, Philippines

- Class Adviser and Classroom teacher
- Ensured your students achieve learning outcomes that are above average in the subject of mathematics by instructing students in a clear, concise and fun way, and regularly preparing lesson plans that are engaging and incorporate the curriculum.
- Incorporated the school's objectives into your curriculum by remaining up to date with mission and initiatives.
- Attended staff development days to improve your skills and receive help and feedback from colleagues.
- Regularly communicated with parents and legal guardians regarding child's performance, track and record student progress and keep records up to date for progress reports and report card conferences.
- Reviewed curriculum needs and execute plans for improvement, and provide tutoring and additional support.
- Acted as a role model by making your students feel motivated while maintaining an approachable personality.
- Attended school events to better understand student interest and personalities outside of the regular classroom, build strong relationships with your students and aid in the strengthening of their self-confidence while inspiring them to achieve high goals.
- Performed other duties and tasks as assigned.

## Secondary Mathematics Teacher Assumption Academy of Monkayo June , 2007 to March, 2009

Poblacion, Monkayo,  
Compostela Valley,  
Philippines, 8805

- Actively instructed students, create lesson plans, assign and correct homework, manage students in the classroom.
- Communicated and fostered positive relationships with parents and family members of students.
- Bestowed students with arithmetic and problem-solving skills by introducing them to interesting and provoking subjects and things where they can acquire new knowledge.
- Provided various hands-on activities to promote critical thinking skills.
- Supervised and recorded the progress of students, and created plans for improvement.
