PERSONAL SUMMARY:

An effective classroom teacher with nine years and ten months teaching Elementary grade students. With high behavioural management skills and personal commitment needed to ensure that all students succeed and fulfil their academics potential. Rogelio is very passionate about making a real difference to young people's lives through teaching. He can bring high-level skills to the table and genuinely strives to satisfy each and every pupil's unique learning requirements. Furthermore, he possesses vast experience of working in diverse academic setting and of developing lessons for a wide range of students. Right now he wants to join a school that always works to the principles of fairness and equality of opportunity in all its recruitment process.
